

Bibliography of British Columbia¹

Compiled by Eve Szabo, Senior Librarian, Social Sciences Division, W. A. C. Bennett Library, Simon Fraser University.

Many thanks to those who responded to the survey of readers of the *BC Studies* bibliography. It was very encouraging to learn that so many people find the bibliography useful and, in some cases, even indispensable.

In analyzing the answers to the questionnaire we found no strong demand for change in any one area so the "B.C. bibliography" will continue to appear with the same coverage and organization as in the past.
