## The Union of British Columbia Municipalities: The First Century

Hardcover b/w photos • 272 pages • 11" x 8.5"  
ISBN: 1-894694-39-2  
\$49.95

All communities in BC have one thing in common: their local government is a member of the Union of BC Municipalities. For 100 years the UBCM has fought for communities, providing communities with a common voice in support of their needs. This book is a fascinating chronicle of UBCM's history from its beginnings in 1905 to its realized potential a century later.

*"Its combination of text, biographies, contemporary documents and images is impressive and rewarding."*

Jean Barman, author of *The West Beyond the West* and *Stanley Park's Secret*.

*"This book is a well-written, fair and accurate portrayal of UBCM's 100 years' progress."*

Mike Harcourt, former BC Premier.
