1. Cecilia and Verna are twins. They live with their parents in a big house.
2. One day, Mom was talking about the twins...
3. But Dad couldn't remember which twin was Cecilia and which twin was Verna!
4. "Who is taller?" asked Dad.
5. "Cecilia is taller than Verna," Mom said.
6. "But how much taller is Cecilia than Verna?" Dad asked.
7. "Cecilia is two cm than Verna," Mom replied.
8. "But I'm the tallest!" Dad laughed.
9. "Hm, Cecilia is a better musician than Verna," Mom said.
10. "But Verna is as pretty as Cecilia."
11. "Hm, and Cecilia eats more than Verna," Mom said.
12. "But I eat the most!" Dad replied.

13. Dad still didn't know which twin was Cecilia and which twin was Verna.
14. Cecilia and Verna had a great idea!
15. "We could wear different colour dresses," they said.
16. Now Dad knows which twin is Cecilia and which twin is Verna!
