March 21st, 2016

To the Editor,

We are pleased to be able to submit a new manuscript for consideration for publication in the UBC Medical Journal entitled: “Credible, centralized, safe, and stigma-free: What youth with bipolar disorder want when seeking health information online”. This manuscript represents original material, has not been submitted elsewhere, and has been approved by each author.

This manuscript is to be submitted to the Academic Research section, with the following keywords: “bipolar disorder”, “Community-Based Participatory Research”, “youth”, and “mental health.”

Please refer to the primary correspondent’s contact details below:

Dr. Erin Michalak  
Department of Psychiatry  
University of British Columbia  
420-5950 University Boulevard  
Vancouver, BC V6T 1Z3  
Email: erin.michalak@ubc.ca  
Phone: 604-827-3393

Author information is listed below:

1) Kirsten Noack\textsuperscript{1,6}, (BA; MSc candidate)  
2) Nusha Balram Elliott\textsuperscript{2,6} (MA)  
3) Eugenia Canas\textsuperscript{5} (MA; PhD candidate)  
4) Kathleen Lane\textsuperscript{2,6} (MBA)  
5) Andrea Paquette\textsuperscript{4} (BA)  
6) Jeanne-Michelle Lavigne\textsuperscript{2,5,6} (BA candidate)  
7) Bipolar Youth Action Group \textsuperscript{2,6}  
8) Erin Michalak\textsuperscript{2,6} (corresponding) (PhD)
Affiliated Institutions:
1 Department of Clinical Psychology, Leiden University, the Netherlands
2 Department of Psychiatry, University of British Columbia, Vancouver, Canada
3 Western University, Centre for Research on Health Equity and Social Inclusion, London, Canada
4 Bipolar Disorder Society of British Columbia, Victoria, Canada
5 BYAP Youth Action Group: Anna Graham (Co-Lead), Laura Lapadat (Co-Lead), Alan Cundall, Kelsey Johansen, Jeanne-Michelle Lavigne, Cara Moore, Julia Wilkes
6 Collaborative RESearch Team to study psychosocial issues in Bipolar Disorder (CREST.BD), Vancouver, Canada

All of the authors are aware of, and agree to, the content of the manuscript and that authorization has been given in the form of a consent form to use any information conveyed by either personal communication or release of unpublished experimental data.

We would like to recommend the following faculty members to review our manuscript:

Dr. Steven Barnes, Department of Psychology
steven.barnes@ubc.ca

Dr. Melinda Suto, Occupational Science & Occupational Therapy
melinda.suto@ubc.ca

Dr. Rachelle Hole, School of Social Work
rachelle.hole@ubc.ca

Thank you for your consideration of this manuscript.

Sincerely,

Kirsten Noack
